Last Thursday, Council Member Dan Garodnick and Council Member Rosie Mendez were honored by the Samuel J. Tilden Democratic Club, where they each received the Beth R. Cosnow Award for Democratic Leadership. "Tilden holds a very special spot in my heart. It is my home club, and I have been a member for 22 years," said Garodnick. "It has been wonderful to work with them over my years in public service and it was truly honor to receive this meaningful award with Rosie Mendez, a great friend and terrific public servant." The event, which was the club's annual dinner, was held at the National Arts Club.
